

LIFE INSPIRED

"I spend all day thinking of shopping. I love the thrill of finding that wonderful, perfect thing, the feeling of your heart racing because it's so right."

— Mindy Grossman —

The everyday life is inspiring, only if you make it.
But no matter what you do, do what you love.
Only then, will you achieve greatness and
contentment.

“Thousands of candles can be lighted from a single candle, and the life of the candle will not be shortened. Happiness never decreases by being shared.”

– Buddha –

EMPOWERED FOR A BETTER TOMORROW

"Don't wait around for other people to be happy for you.
Any happiness you get you've got to make yourself."
— Alice Walker —

Beauty is confidence. And you don't need others' words to feel beautiful. Follow your heart to do what's right, and go for the things that excite you!

Dance with wild abandon, and let the burden be lifted off your shoulders. Create your own art by breaking rules, start with your nails and paint them blue.

Don't let anyone tell you who you are, because true beauty never compromises.

“Cookery is not chemistry. It is an art. It requires instinct and taste rather than exact measurements.”
– Dorothy Day –

Eating is not merely a material pleasure. It touches the soul, and connects one to another. It contributes to goodwill and happy companionship.

Artful eating begins with the heart. It searches the palate for a particular craving, and hungers for many exotic flavours.

From traditional to fusion, the best food should wake the connoisseur within every one of us.
